

In light of recent developments regarding the spread of COVID-19, and in an abundance of caution, all **STEAMsport**, **Inc. programs will be provided virtually until further notice.**

Although there have been no reported cases of COVID-19 in the immediate area, we are focused on our highest priority which is maintaining the health and safety of our students, staff and families by limiting the number of visitors to our center.

Please click on the **STEAMsport Virtual Academy** in the banner for course registration and info.

Thank you for your support

William Oliver Executive Director STEAMsport, Inc.
